

CW Academy New Student Registration and Sign Up for a Class

If you are a new CW Academy student interested in signing up for a Morse code class, please follow the 'A New User Instructions'. If, however, you have already registered and gotten a username and password, but have forgotten your password, scroll down and follow the instructions in the section 'Forgotten Password'.

A New User Instruction

When you click the link to go to the CW Academy website, this is what will be displayed. Scroll down to reveal the login page.

Login

Don't have an account? [Signup Now »](#) **Click Here to Register**

[Lost your password?](#)

Since you need to first register, click on the "Signup Now" link.

REGISTER

CW Academy

Your Username should be your Amateur Radio Callsign. If you do not have a callsign, use your last name as your Username. Be certain to select the appropriate role: either a Student or an Advisor.

Username * **Fill out the registration form. A verification email will be sent to the email address.**

First name

Last name

Email *

Your password must be at least 8 characters long and contain at least one number and one special character

Password *

Select Role *

Student **Be sure that 'Student' role is selected**

Select your user role

Register

This will open the 'Registration' page. Your username should be your callsign, unless you don't have a callsign. In that case, enter your last name as your username.

After clicking on the 'Register' button, the system will send you an email that will have your registration information as well as a link to verify your registration.

Open that email.
